

PRACTICE HEALTH MEMBERSHIP BENEFITS

What is Practice Health?

Practice Health (PH) is an independent practice association (IPA) comprised of members who are both primary care and specialty providers that join together in order to access insurance contracting, payer credentialing services and group purchasing programs (CollaboRATE). Currently, there are over 550 physicians and 150 advanced practice providers who are members of Practice Health.

What are the **benefits** to becoming a Practice Health member?

Providers who become members of PH receive the following services and benefits:

-  **Payer Credentialing benefits and services including:**
 - Creation and maintenance of the CAQH online credentialing application;
 - Completion of all mandatory, payer-specific credentialing paperwork;
 - Notification to all contracted health plans of additions, changes or terminations of PH members;
 - Assisting with notification and implementation of practice changes including address, tax ID, practice affiliation, etc.;
 - Credentialing status tracking and follow-up;
 - Notification when credentialing is complete

-  **Educational opportunities**
 - Coding, HIPPA, OSHA

-  Provider Relations

-  **CollaboRATE group purchasing program that includes:**
 - Billing and accounts receivable
 - Vaccine purchasing program
 - Real estate services
 - Medical supply distributor

PAYER CONTRACT PORTFOLIO & MANAGEMENT

As a member of Practice Health you will receive the benefit of a Practice Health liaison who will communicate on behalf of individual practices when it comes to contract negotiations with insurance companies. This communication process is known as the “Messenger” model.

By using the “Messenger” model, Practice Health is able to ease the administrative burden of contracting. This model provides member access to 17 payer groups and/or individual contracts that cover over 40 product lines. These payer groups include:

- Aetna
- Anthem Blue Cross & Blue Shield
- Beech Street
- Cigna
- Cofinity
- Colorado Access
- Coventry First Health
- Humana
- MultiPlan
- PHCS (Private Healthcare Systems)
- Rocky Mountain Health Plans

We can also assist facilitate the messenger model with United Healthcare and AARP Compete/Secure Horizons.
